Minnesota Bred Races at Running Aces

2 and 3YO schedule

2YO are scheduled for 8 dates for each gait. 3YO are scheduled for 12 dates for each gait. All gaits will also race in the finals conducted on Minnesota Night of Champions.

2YO Trotters	Tuesdays	Beginning June 27
2YO Pacers	Thursdays	Beginning June 29
3YO Pacers	Thursdays	Beginning May 25
3YO Trotters	Sundays	Beginning May 28

If a cancellation of a MN Bred race occurs due to factors beyond our control, for example, technical issues, power outage, weather related, etc., those MN Bred races will be rewritten on the days that the open 2YO and 3YO races were scheduled.

Creating full and balanced fields for 2 and 3YOs

If possible, races will be split by sex. May race uneven fields to facilitate splitting by sex if the minimum number of starters is met. A minimum of 5 may race after consultation between the Director of Racing and the MHRI.

If enough horses are not entered to separate by sex, horses will be divided into A/B/C divisions:

- 2YOs by lifetime earnings
- 3YOs by earnings last 4 starts

If unable to split divisions equally, the A division should have the lesser number of starters.

If the scheduled race is split into 3 divisions, horses may be split by sex, with 2 divisions of one sex and a 3rd division of the other sex or all 3 divisions will be divided by:

- 2YOs by lifetime earnings
- 3YOs by earnings last 4 starts

In this A/B/C structure, A division will have less horses than the B division and B will have less horses than the C division.

A division by sex or earnings should be used to create balanced fields if possible. Any other division scenarios will be dealt with by the Director of Racing after consultation with the MHRI officers.

If a class does not fill with 6 separate betting interests, the Director of Racing, after consultation with MHRI officers, may card the race as a non-betting race.

If there are 3, 4, or 5 separate betting interests, the race may go as a non-betting race. If only 1-2 horses entered, the money will roll over to future MN Bred races.

To have competitive races, horses that win 3 out of the last 4 MN Bred races, will be assigned to the outside post. This excludes winners in the B & C divisions moving to class A. Other scenarios that continue to produce negative betting pools may also be addressed after consultation with the MHRI officers.

Purse structure for 2YO and 3YO races will be as follows

Each scheduled race for 2YO and 3YO MN Breds will have an estimated total purse of between \$22,000 to \$45,500.

- **1 Division**
 - Will race for a purse of \$22,000.

- **2 Divisions**
 - **Split by sex:** Each division will race for \$18,250.
 - **Split by earnings:** The A division will race for \$22,000 and the B division will race for \$14,500.

- **3 Divisions**
 - **Split by earnings:** Monies will be added to the base purse. The A division will race for \$22,000, the B division for \$14,500, and the C division \$9,000.
 - **Split by earnings and sex:** When there are enough entries to force three divisions, but one sex can race all in one race that sex will race together for \$17,500 with the other sex racing an A division also for \$17,500 and a B division for \$10,500.

Purse levels may be adjusted at the discretion of MHRI and Running Aces.

Incentives for MN Breds

- MN Bred horses will receive an extra win in non-restricted, non-winner classes (excludes maidens).
- MN Bred horses will receive an extra 30% in money earnings in non-restricted conditioned races. Ex. Non-winners of \$5,500 (MN \$7,150) in last 4 starts.

2023 Minnesota Night of Champions Conditions

2023 Night of Champions is Saturday, September 16 – post time at 7 PM.

Fields for the finals shall be limited to the top 9 money earners of the finals entrants. For 2 & 3 YO's it is money that has been earned in MN Bred Restricted races at Running Aces, as listed in this booklet.

Total money earned at Running Aces for the meet, will determine eligibility for **aged horses**.

To be eligible for the finals/consolations, all horses must have raced at least two starts in the state of Minnesota during 2023.

A finals race must have six separate betting interests at the time of the draw to be considered filled. If an event does not fill, after consultation between the Director of Racing and MHRI officers, the finals race may be contested as a non-wagering event.

All finals races must be contested.

All earnings will be calculated from May 14, 2023, up to and including September 10, 2023.
